VISTA VERDE

Olgaria Hernandez is 87 years old and goes by the name Niña

Niña. She has 9 children, 6 boys and 3 girls. Her husband passed away 9 years ago. She lives with one of her sons, Luis Dominguez (40), one grandson, Luis Andres (13), and a granddaughter, Julissa Water (25).

HER HOME IS VERY WEAK SO SHE WORRIES ABOUT SECURITY

She has lived in this house since 1974 and for the last 41 years has struggled in its poor condition. The house is right on the ocean so during storms her house takes in water and is damaged often. She always gets lots of water in her home when it rains. Her home is very weak so she worries about her security when she is home alone.

Nina is very excited because she would never be able to build a new home on her own. She makes beans and sweets for the community as a form of income and is excited to have a sales window at the front of her house.
